

Patient Intake Form

Are you a candidate for laser therapy?

Laser therapy is an FDA cleared modality for the treatment of pain and inflammation and the temporary increase of microcirculation. Increased microcirculation can provide relief for many acute and chronic conditions. This form is a tool to help your clinician determine if you are a candidate for laser therapy. If you answer yes to any of these questions you will need to discuss details of your condition with your clinician.

Please check YES or NO to the questions below

YES NO Do you have a pacemaker or any other implanted devices?

YES NO Are you pregnant?
